But athwart this is the previded over by a colleague is the viaduet called the turn of life, which, count. Recently Dom Pedro cancelunition and honesty is punished."
if crossed in safety, leads to the valded the stamps of his Brazilian Empire follow. Mr. Schurz was violently as-sailed for this utterance by the Wash- out beat or causeway, to effect his passage. The bridge is, however, ernment printer, which called upon constructed of fragile material, and it the President to demand his resigna-tion. But no such demand has been depends how It is tredden whether it or ever will be made. The price of bend or break. Gost and apoptexy Mr. Schurz'support of Hayes in 1876 was a cabinet portfolio during the latter's term of office, and he cannot traveler and thrust him from the max. The baker had probably read that in Egypt dates are an important article of food, and thought there could be no harm in serving them up as a pie.

A Court has decided that if a woman lends money to her husband she for his official nets. That is all true the grave. The system and powers tion, is delighted with the result of car. Mrs. Buck travels around to news to a great many wives, who arthe recent elections. It prints a cut neighboring towns to attend to the rived at that decision long ago withholding even a proprietary interest in a Journal that so cavagely attacks the administration of which he is a part. The Grant element in the party has beyond its strength, white a carretut surely of proper and the withdrawal no love for Schurz and will make the supply of props and the withdraws1

> there is also the Russian, and both It is a singular fact that a man who know much about politics wonder when he gets out-ide of his yard gate.
